

COLORFUL MAGNETIC BUILDING BARS

MODEL NUMBER : GT-CMBB

AGE
3+

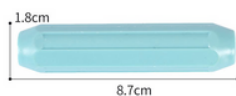

KEY FEATURES

- STEM Educational Tool : Enhances creativity and spatial reasoning.
- Durable Construction : Shatter-resistant ABS plastic for long-term use.
- Strong Magnetic Connectivity : Neodymium magnets ensure secure builds.
- Modular Design : Compatible with other magnetic construction sets.

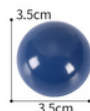

TECHNICAL SPECIFICATIONS

Material : ABS Plastic (Bar) + NdFeB Magnet
 Certification : CE, CPC, EN71 (EU), ASTM F963 (US)
 Colors : Red, Blue, Green, Yellow
 Shapes : Rods, Connectors
 Safety Standard : CE/CPC/AST F963-17

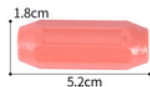

KEY COMPONENT
